Emergency Care

If you are a registered patient and have a dental emergency, telephone the surgery during opening hours and we will make every effort to see you as soon as possible. If you have an emergency when the surgery is closed call 01475 741186 and a recorded message will provide further information.

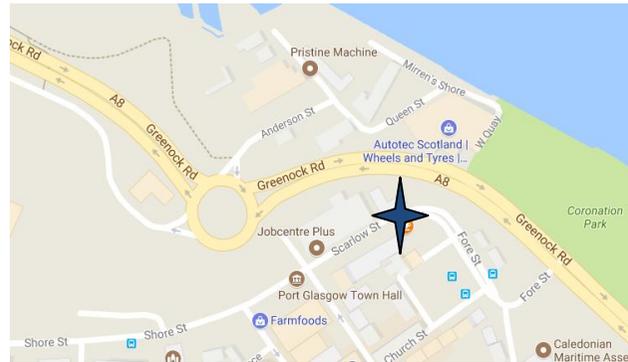

Missed Appointments/cancellations

Missing appointments wastes time and resources which are needed for other patients. Our practice policy is that if, on more than one occasion, patients cancel with less than 24 hours' notice or do not attend an appointment, then a charge will apply. We may deregister a patient who repeatedly fails to attend. We will of course take any special circumstances into account
