

SIX MONTH SMILES®

Straight Teeth. Less Time.

HILLARY

Newfound Confidence.

WANT STRAIGHT TEETH IN 6 MONTHS?

Our system is for adults with crooked, spaced, or misaligned teeth. The average time is **only 6 MONTHS!**

Ask your dentist to find out more.

Lucid Lok® clear brackets and tooth colored wires.

Unnoticeable at the surface and engineered for quick results to deliver an attractive and confident smile.

As a kid, I was always self-conscious about my smile. I would avoid showing my teeth when I laughed. **I began a journey that I never dreamed was possible, and after a short 6 months, my life was changed FOREVER!**

I can't thank Six Month Smiles enough.
