

Six Month Smiles seemed like the ideal solution. *I only had 12 months before our wedding, so long term options were out of the question.*

Also, I'm a Veterinary Surgeon so it was vitally important to use treatment which didn't stand out in front of my clients.

VICTORIA

A New Smile.
Always & Forever.

WANT STRAIGHT TEETH IN 6 MONTHS?

Our system is for adults with crooked, spaced, or misaligned teeth. We use clear brackets and tooth colored wires. The average time is **only 6 MONTHS!**

Ask your dentist to find out more.

SIX MONTH SMILES®

Straight Teeth. Less Time.
